

Points Fund Program

The South Georgia Motorsports Park Points Fund helps to raise funding for multiple uses related to the Scorpion Racing E.T. Bracket Series – cash and trophies for top finishers in each class, and complimentary entry (Gold Card) for champions the year following their title.

We will pay for Bracket Final Entry for:

| | |
|-------------------|--------------------|
| Team 1 Cars | Team 1 Juniors |
| Top 8 Super Pro | Top 4 Advance Jr. |
| Top 8 Pro | Top 3 Intermediate |
| Top 5 Sportsman | Top 3 Novice |
| Top 4 Motorcycles | Top 3 Jr. Street |

Some items of note regarding the South Georgia Motorsports Park Points Fund program:

- The cost to enter the points fund is \$50 annually per category – if you race in multiple categories, you must pay \$50 per category to earn points.
- Only racers who have joined the points fund will earn points through the season. It is not necessary to enter the points fund if you don't intend to race for points.
- A racer can buy into the points fund at any point in the season – they will only begin earning points, though, once they have paid the \$50 fee. Points will not be rewarded prior to payment of the fee.
- Only racers who have joined the points fund program will be eligible for end of the year awards.

Payment can be made at the South Georgia Motorsports Park Tower at any scheduled event **before the first round of eliminations**.

Event points are awarded as follows:

- 10 points for purchasing and turning in a tech card.
- 10 points for formally teching an eligible vehicle.
- 10 points are awarded for each round win.
- Each class winner receives three (3) bonus points, each runner-up will receive two (2) bonus points, and 1 point for semifinals.
